# CUNT

"When them dudes call me Wetlips, they're talking about my pussy, although they kid me by saying it's about my mouth. Bullshit! these dudes have my number—they know my pussy lips are forever wet—because I seem always to be aroused.

"What chick in her right horny mind wouldn't be, there's so many foxy men around these days in their tight pants and crotches, so a chick like me can practically see the outline of their cocks.

"That's enough to make any cunt's lips get moist! Of course, once my pussy gets wet, I've got a problem, because my whole body demands sexual satisfaction—and now

"I'm not kidding about it, either. I need to get laid. I need to get sucked and fucked, and instantly, too. This often happens during the day, and most of the dudes I fuck are at work, getting up the money to take me out, dig? So, the only way I can solve it is to stick out my thumb as though I'm hitch hiking, and actually suggesting to the dude picking me up—

if I like him—that we drive over to my nearby pad while I get my purse

"Of course if I don't like the guy who stops, I tell him I'm going further than he is—which is sure no lie!"

"Some guys will tell you I'm a bit on the aggressive side when it comes to sex—and I am. I like a fast pace. Once I've decided I want to have the cock put to me, I don't dig dallying around. I want to get down and get it on."

"Some chick seem to dig the big Bogart seduction bit, but not me. I just haven't the patience for it. I want that cock where it belongs, riding in and out between those wet lips of mine—and the faster and harder, the better for us all."

"Sex is like thirst. When you're thirsty you want it quenched with a nice cold bottle of beer, not a tiny sip at a time. I mean chug-a-lug."

"Sex is the same thing. I like to chug-a-lug it, meaning get all of it and fast. That way things get cool in a hurry, and my inner serenity once more surfaces—where it is most enjoyed."

Meet Marlene, who is made by more than sugar and spice, and everything nice—she is made by guys like you...

"The grave is a very private place, but no one there is known to embrace—and this fact makes me free to do as much sexual embracing as possible while I'm young and eager to be doing it.

"I figure there's no such thing as overdoing a fun thing, and for me, sex is fun. More than that, it is the greatest therapy in the world, more powerful than any tranquilizer yet devised.

"After a good, strong, climax, accompanied by the warm surge of a guy's cum shooting into my quivering pussy, I am at one with myself and the universe."

"For me there is no better thing to do than to satisfy a guy's sexual urges with my mouth by sucking him to climax. I think it is the ultimate compliment to a guy—and if I really like him, that's what I want to do for him."

"I enjoy it so much, that even if he hasn't touched my pussy, I can actually get off simply by feeling him come off in my mouth. And I love every pulsing squirt of it, too."
